GOOD FOR EVERYBODY

and everyone needs it at all times of the year. Malaria is always about, and the only preventive and relief is to keep the Liver active. You must help the Liver a bit, and the best helper is the Old Friend, SIMMONS LIVER REGULATOR, the RED Z. Mr. C. Himrod, of Lancaster, Ohio, says: "SIMMONS LIVER REGULATOR broke a case of Malarial Fever of three years' standing for me, and less than one bottle did the business. I shall use it when in need, and recommend it." Be sure that you get it. Always look for the RED Z on the package. And don't forget the word REGULATOR. It is SIMMONS LIVER REGULATOR, and there is only one, and every one who takes it is sure to be benefited. THE BENEFIT IS ALL IN THE REMEDY. Take it also for Biliousness and Sick Headache; both are caused by a sluggish Liver. J. E. Zellan & Co., Philadelphia.

TWO FIRES.

The Entenza Cigar Factory in Ashes. Loss \$8,000.

Last Friday morning at 1 o'clock just as the last copy of the edition of the TELEGRAPH for last week was taken from the press, the alarm of fire was given and the Entenza cigar factory was found to be enveloped in flames.

The fire had gained too full a headway to be checked and soon the building and its contents, were in ashes.

Nothing was saved from the burning building, and Mr. Entenza lost about 90,000 fine cigars, a large stock of cigar tobacco and all the implements and fixtures of the factory. The loss amounts to about \$8,000, covered by insurance of \$4,500.

The building was the old Orange College and was owned by Mrs. S. M. Newingham, of Greenburgh, Pa. It was insured for \$300.

At the time of the fire Mr. Entenza was in Atlanta, Ga., taking orders for his excellent cigars. A telegram announced the work of the fire to him and he returned home as soon as possible.

Mr. Entenza has been successful beyond his most sanguine expectations since coming to Starke, and in conversation with a representative of the TELEGRAPH said that he would make arrangements as soon as possible to go to work again. He left Tuesday night for Atlanta to complete his business in that city and will return in a few days to give his attention to the resumption of business here.

Monday night of this week at 7 o'clock the alarm of fire was again given. This time the flames consumed the barn of N. W. Hackett at his home on Walnut street.

By hard work on the part of citizens and the volunteer fire department the fire was prevented from spreading. The barn and a large amount of hay, farming implements, etc., were completely destroyed.
